We're excited you've decided to join other adventurous women at the Winter Camp!

PLEASE READ THESE IMPORTANT NOTES BEFORE COMPLETING YOUR REGISTRATION

1. Check our website for updated information: outdoorswoman.org.
 - Class schedule may change due to circumstances beyond our control.
 - Some classes fill quickly, so sign up for alternates -- you may be able to switch to your favorite class at camp.
2. Camp registration is on a first-come-first-served basis. You do not need previous outdoor experience to attend. Each class is designed to offer hands-on experience for beginners and pros alike in a supportive environment. Participants must be at least 15 years of age and participants less than 18 years of age must be accompanied by an adult.
3. **Meals & Lodging:** Delicious, hearty, balanced meals are served buffet style in Hulbert's sunny dining hall. Accommodations are in Hulbert's comfortable, winterized cabins. Each has four bedrooms with four beds & two bathrooms, each with two showers and two toilets. The cabins are equipped with easily converted twin-size loft beds to accommodate either double or quad occupancy. Bring your own blankets, pillows, linens, and towels - or rent them. Program fee is based on quad occupancy. You can upgrade to double occupancy for a fee (limited availability).
4. **Activities:** There will be lots of opportunity to hone your skills, learn something new, and relax by the fireplace. All classes are taught by volunteer outdoor educators.
5. **Equipment:** Most classes will be outside on the snow or ice, so dress comfortably and sensibly. Bring warm, waterproof boots and clothes, since classes will be held regardless of weather. **Please read the class descriptions for details on what clothing/gear and levels of physical activity and experience are expected.** More detailed information will come with your confirmation packet. Most equipment is provided (exceptions are noted in course descriptions); however, please feel free to bring your own equipment.
6. **Firearms and Fishing Licenses:** All attendees must comply with applicable State and Federal laws concerning the use, transport, and storage of personal firearms. Your firearms MUST be stored unloaded and kept in a locked case or with trigger lock. If you intend to fish, bring your current fishing license. Purchase online: https://www.vtfwdsales.com/online/cid_entry.php
7. **Confirmation:** Upon receipt of your payment, we'll confirm by email. A letter listing your class choices and schedule will be sent as soon as it is available. Directions to Hulbert Outdoor Center are at: <https://alohafoundation.org/hulbert/>. Please consider carpooling!
8. **Cancellation Policy:** Vermont Outdoors Woman will accept cancellation and will refund the entire amount of your deposit if the cancellation is received before January 22, 2019. Request for a refund must be received in writing or via email; no phone cancellations. Cancellations after January 23, 2019 will forfeit the entire program fee. Substitutes are allowed.
